

Listed below are contractors who have recently pulled permits for concrete work in the Borough. In doing so, they have met the Borough's insurance requirements. Please note that this list is provided solely to assist residents in procuring concrete work, and is in no way an endorsement of any particular contractor. We strongly encourage you to do your own research before selecting any contractor, including comparing prices and checking references.

If you are a contractor who would like to be added to the list, please contact the Borough office at 610-543-4500 or swarthmore2@comcast.net for additional information.
