

CRUM RIDGE & CAMPUS: SHORT

A 50-50 trail awaits! Half of the paths use the steeper, Crum Woods dirt trails that provide views to Crum Creek below. The campus half route uses walkways that are not only flat and paved, but also provides opportunities to sit on benches. There are a couple of Crum Woods entrance options, one of which leads through the Arboretum's Rhododendron Collection.

Themes: Exercise, Nature

Amenities: Creek view, woods

Surface: Gravel, dirt; 0.7 miles long.

Slope: Flat sections, timber steps, steep sections; 52 ft elevation change.

Hazards: Ponding, mud, tripping hazards (roots, rocks, timber steps).

Emergencies: Call Public Safety (610) 328-8333
