

pecoSM

AN EXELON COMPANY

November 18, 2022

Dear Customer:

PECO will be starting a project in your neighborhood, which is part of a \$12 million infrastructure investment in our region to withstand more frequent and damaging storms, improve reliability by reducing the frequency of outages that cannot be prevented, and support the adoption of clean energy resources like solar and electric vehicles.

You are receiving this letter because you live, do business, or own property near the project area. Prior to work beginning, we invite you to join us for a **virtual community open house on December 6 from 6-7 p.m.** to learn about the importance of this project. During the open house you can hear from our project team, ask questions, and provide feedback.

Please register by November 30 by emailing Michael Herman, Customer Service Liaison, at Michael.Herman@exeloncorp.com. We'll send you the Zoom meeting credentials prior to the event.

Sincerely,

Brian Crowe
Vice President, Technical Services
